ADDENDUM No. 1

Proposed Paving & Drainage Project

Hangars 4 & 5

Abe Lincoln Capital Airport
1200 Capital Airport Drive
jhpa #2015-060

Addendum No. 1 modifies and/or clarifies the construction drawings and specifications. The information contained in this addendum shall supersede information found in previously issued documents and shall become part of the construction documents. This addendum consists of one (1) page and one (1) attachment.

GENERAL

1. The meeting minutes from the Pre-Bid Conference held July 10, 2017 are attached and the information therein becomes a part of this addendum.

CLARIFICATIONS:

1. Contractor shall include in the base bid any costs associated with removing existing landscaping for the installation of subsurface drainage and shall also include in the base bid the cost to replace and or replant the existing landscaping including weed barrier material, landscape rock, etc.
2. Contractor shall be required to have all of the existing utilities located prior to any work commencing and shall include in the base bid any fees associated with this work.
